

Madison Carman UX/UI Designer

Improving interactions between people and the products and services they love.

Denver, CO | (303) 335-7893 | madisoncarman@gmail.com | LinkedIn:[/madisoncarman](https://www.linkedin.com/in/madisoncarman) | Portfolio:[madisoncarman.com](https://www.madisoncarman.com)

UX/UI Designer with 4+ years expertise in client advocacy and project management. Providing simple solutions to complex problems through fresh, functional, and intuitive designs that utilize clear and honest communication and a user obsessed mentality.

EXPERIENCE

Web Designer (Sep 2021 - Present)

Kodak Properties (Denver, Colorado)

- Collaborating with stakeholders to plan and execute the redesign of an online real estate portfolio using industry preferred design tools and practices.
- Conducting user research and analysis to adjust communication style and messaging for targeted users to enhance user interactions.

Executive Assistant (Sep 2018 - Present)

CS AdvoCare, Inc. (Centennial, Colorado)

- Demonstrated initiative and adaptability resulting in the achievement of two vertical promotions.
- Decreased operating costs by improving systems and efficiency to reduce time spent on non-billable tasks and administrative training resulting in increased company revenue.
- Managed up to 35 clients providing planning for financial longevity, coordinating final arrangements, and executing estates through exercising strength in multi-tasking, project management, and teamwork.

Advanced UX Design Student (Mar 2020 - Jul 2021)

CareerFoundry (Remote)

- UX/UI Design - (860+ hrs) Intensive project based training in end-to-end design.
- Frontend Development - (240+ hrs) Hands-on training with basic coding languages (HTML5, CSS3, JavaScript) to communicate technical issues and collaborate with developers.

UX/UI Design Intern (Oct 2019 - Jan 2020)

Colorado State University Web and Business Systems (Fort Collins, Colorado)

- Improved user interactions by auditing and documenting usability and consistency errors for developers during redesign process resulting in decreased error rate and a strong adherence to WCAG standards.

Carlton Properties (Apr 2017 - Sep 2018)

Property Manager (Denver, Colorado)

- Maximized return on investment as a result of competitive strategizing driven by market analysis and prioritization of client motivations.
- Adjusted communication style and messaging to foster rapport with diverse clientele resulting in multilateral satisfaction.
